

RMS QUEEN MARY Orchestra Stand For Sale

This orchestra stand is only one of two of its kind ever made, as these were used in the First Class Dining Room of the RMS QUEEN MARY during her service on the North Atlantic run until 1967. I've attached photos of the stand in use in the 1960's aboard the QM.

The orchestra stand was purchased in the 1970's and has been in my possession since. It included a light socket with a standard European bayonet mount, and the original light cord is attached with the old-style British socket.

It has been boxed and is ready to ship anywhere. Contact Richard Villa at 949-394-1547 or at richvilla@msn.com for more information.
